By

ALEC HAMILTON

W D Caröe was an interesting figure, who was not an Arts and Crafts ‘believer’, but nonetheless was capable of using the ideas with great originality. Alec will talk about some of his most important churches including Brownhill, as well as other unregarded gems.

Price £7.50 for members of the Stroud Civic Society and local residents and £10 for all others. Price to include wine and a donation to the Friends of Friendless Churches.
